To Whom It May Concern,

Please accept this letter of recommendation regarding Nikki Haley.

Ms. Haley was employed by Lexington Medical Center from August 11, 2008 through April 23, 2010 as Manager Major Event and Foundation Relations. In this role she was responsible for soliciting financial support from the business community. She maintained a portfolio of donor prospects, along with planning and executing major development events.

Ms. Haley is intelligent, highly motivated and self-directed. She is very articulate and is always poised and professional in her presentation. She develops a rapport easily with a wide range of people and is personable and engaging in her one-on-one interactions.

Ms. Haley resigned her position to dedicate her time towards her campaign for Governor of South Carolina.

I think you will find Ms. Haley a dynamic addition to your team.

Sincerely,

  
Michael J. Biedger  
President and CEO
